

MURAL^{DE} FAVAIOS

**CAPACITY:**

75 cl

ALCOHOL BY VOLUME:

17%

ANALYSIS:

Total Acidity: 4,0 g/dm3.
 Residual Sugar: 115 g/dm3.
 pH: 3,4.

Mural de Favaios

ABOUT

The Douro is the oldest and one of the most important wine regions in the world. Located in Northeast Portugal, within the Douro River basin, surrounded by craggy mountains that give it very particular soil and climatic characteristics, this region spreads over a total area of approximately 250 000 hectares and is divided into three sub-regions that differ greatly from each other not only as regards the weather but also for socio-economic reasons.

Quinta do Portal properties are located in the Cima-Corgo sub-region, an area that has been showing very good balance regarding its resistance to climate changes. The vineyards are spread by 5 estates- Quinta do Portal, Quinta do Confradeiro, Quinta dos Muros, Quinta da Abelheira and Quinta das Manuelas- in a total of 100 ha under vines. The different altitudes and solar exposures and the variety of grape varieties allow Quinta do Portal to produce excellent grapes that produce a diversity of wines of great quality.

VARIETIES

Moscatele Galego (100%).

WINEMAKING

Hand picked / transported in small cases.

Maceration in stainless steel vats at temperature control of 20-22°C.

Ageing in average of 3 years in old barrels.

TASTING NOTES

Moscatele is one of the best known aromatic grape varieties. When aged in oak it matures into fabulous nectar with characteristic aromas such as orange, orange blossom and dry fruits, which are obtained due to controlled aging in oak barrels. In the mouth it has a fresh and complex finish that is very refreshing and seductive and goes well with egg custard desserts and fresh fruit dishes.

HOW TO SERVE

It should be served cold (12°C) and can be enjoyed with your favorite sweets.

Could be paired too with some dried or fresh fruits.
