ABOUT

Founded in 1954 by winegrowers of the region and inserted in the Natural Park of the São Mamede Mountains, since its beginning, the **Adega de Portalegre Winery**, was distinguished by the quality and originality of their wines.

The typicity of the wines comes from the vineyards located at an altitude between 600 and 700 metres and by the fact that the average age of the vineyards can be of 70 years old and by the maintenance of an ancestral culture of wine, where quality and typicity are the main purpose.

The region of Portalegre represents a unique terroir, allowing **Adega de Portalegre** to produce wines with an expressive personality, singularity and even some eccentricity. This uniqueness has been awarded through the past 60 years, in national and international competitions..
